Games Session

- The Pee Wees (U5 to U6) age groups play **4 v 4** with a **size 3 ball** on pitches that are approximately 30 x 20 metres. Games are non-competitive in that results are not recorded and no competition tables are kept. Cones are used to mark the corners and sidelines of pitches and goals, and there are **no goalkeepers**. The aim of these small-sided games is to maximize player participation as measured by the number of touches on the ball per player, and to promote skill development through playing in a confined space.
- **In Pee Wees**, no set teams are formed. Because most players are new to the game and some are trying it out, player numbers tend to decline over the season. They also fluctuate with the weather. To avoid relatively small squads of players potentially being depleted to unavailability on particular days, groups of 8 players are formed *ad hoc* each Saturday. These split into two teams of 4 for their game.

Optional Training: Coerver Coaching offer the First Skills Clinic for our Peewee (U5-6) players during the season. The program will run on Saturday mornings at 8.30-9.15am at Mawson Playing Fields. Please note this is optional and there is an extra cost involved. Registration details will be available soon.
