## Help make your 2020 photos COVID-safe

- Team photos will be composite-style** rather than 'traditional' to maintain social distancing
- Bring your own ball** or we can do your photo without a ball
- Complete your order form and payment** before coming on the day
- Come prepared for your portrait** arrive in uniform and looking your best
- Don't wait for your team** your portrait will be used for the team composite
- Observe the directions of staff** to move you through quickly and safely
- Help us to help you** we're all in this together!
- Make sure you have a portrait (including coaches!)** even if you're not ordering so you can be included in the team composite

– THANK YOU FOR YOUR COOPERATION –
