

WODEN VALLEY OFF-SEASON FOOTBALL PROGRAMS

The club's off-season football programs – **the Development Academy, Street Soccer and Sunday Social Soccer** – will begin in November. These programs are for players of all abilities and ambitions.

To maximise the football, all programs will run to 30 January 2022, with a break from 13 December 2021 to 10 January 2022.

Please bring shin pads and a water bottle to all programs.

To ensure the safety of all participants, we will be following the ACT Government's Covid-19 Pathway Forward. We will also be taking our own measures to reduce exposure opportunities. For example, hand spray will be available, all adults should sign in, training will minimise direct contact between players and there will be no swapping of bibs during training.

If you have any concerns about exposure to Covid-19 please take the precautions you feel most comfortable with. Players can join the Academy at any point, when you feel comfortable doing so.
